"Pride of Gaza – Pride of the Nation – Pride of Africa"

WE RISE AGAINST

✕ Racism — that fuels division and injustice

✕ Tribalism — that weakens our collective voice

✕ Hunger — that robs children's futures

✕ Injustice — that denies fair treatment and rights

✕ Suffering — caused by poverty and exclusion

✕ Poverty — that traps generations in hopelessness

✕ Ignorance — that blinds people to their rights

✕ Lack of Education — that keeps communities powerless

✕ Lack of Water, Electricity, and Sanitation — still denied to millions

✕ Lack of Access to Health Services — denying dignity and life
